SUBJECT: Travel & Expense Module Enhancement Review Session

One of the benefits of the PeopleSoft Financials 9.2 upgrade and Oracle's continuous release delivery methodology is gaining the availability of new features and functionality without having to do a major application upgrade. The GeorgiaFIRST Financials support team is reviewing the functionality and enhancement options that have not yet been made available within each module.

To ensure that our Operational Roadmap is aligned with the priorities of the institutions we support, we are planning to host a series of in-person Module Enhancement Review Sessions. These sessions should be attended by institutional module experts and decision makers. Key representatives from each institution may attend.

The focus of these sessions will be to:

- x Review 9.2 configur
