  - Asset Management (2 days)
  - Wednesday, January 22<sup>nd</sup> Thursday, January 23<sup>rd</sup>
  - Budget Prep (3 days)
  - Tuesday, January 28<sup>th</sup> Thursday, January 30<sup>th</sup>
- WebEx scheduled early January with details

### Institutional Readiness Tasks

- Confirm that ITS has the correct Cutover Coordinator for your institution.
  - Refer to the Cutover Coordinators list on the Georgia FIRST website.
  - Contact <u>donna.wooddell@usg.edu</u> ASAP with any changes.
    - Provide email address and phone number.

- Plan for Go-Live Validation WebEx
  - Monday, December 16 9:00am-11:00am
  - WebEx link will be sent to Cutover Coordinators later today (December 10)
  - Cutover Coordinators will need to <u>register by close</u> of business Thursday (December 12)

#### **PSQUEST** access

- FPROD will replace F89RPT and F89PRD
- New passwords effective Mon 12/16/2013
- Security Administrators should contact ITS Helpdesk to request new PSQUEST Password.
- See announcement posted on 12/9/2013

Banner Integration and Links

http://www.usg.edu/gafirst-fin/project\_information/peopletools\_8.52\_upgrade

GeorgiaFIRST: PeopleSoft Financials Banner Integration - Revised 12.3.13

GeorgiaBEST: GeorgiaBEST Enhancements 8.27.1 - Additional Details

- FPLAY is available for testing banner connections
- DOWNTIME: Plan for and Notify resources
  12:00 pm THU 12/12 to 9:00 am to MON 12/16

# 5:00pm Wednesday, December 11

### Access to Self Service

- ITS will remove access to Self Service portal at 5:00pm, Wednesday, December 11.
- This impacts Expenses and GeorgiaFirst Marketplace
- Core users can continue to access core portal until noon, December 12 to complete final transactions needed prior to upgrade.

# 12:00pm (noon) Thursday, December 12

### Transactional Processing

- All transactional entry and processing should end at noon.
  - Requisitions, PO's, Vouchers, Payments, JE's, etc.
- Process instances (process monitor) will be allowed to run to completion but must be completed prior to 2:00pm.
- Institutions should obtain all reports/files:
  - AP Checks printed
  - ACH/EFT/Positive Payment Files

### Transactional Processing

- Users should log out of production as soon as they are finished (prior to 2:00pm).
- Georgia FIRST team will monitor production processes to confirm they run to success.

# 2:00pm Thursday, December 12

- Database Access Removed
  - ITS will make firewall change to remove access to production (F89PRD), Reporting (F89RPT) instance and FPLAY.
  - If you are still logged in when the firewall rule is changed, you will get kicked out of PeopleSoft.

- Initiate BORDAILY batch job
  - This will take approximately 3 hours
- Review Integration Broker for errors and pause queue
- Final review and cleanup of instances in process monitor (No Success, Error, Cancelled)
- When BORDAILY completes, notify DBA's to begin backup of production.

- Obtain "Pre-Validation" query results for each institution:
  - (PO) BOR\_PO\_OPEN\_AMOUNT\_ALL
  - (AP) BOR\_AP\_OPEN\_LIAB
  - (EX) BOR\_EX\_OPEN\_LIAB
  - (ePro) BOR\_REQ\_OPEN\_AMOUNT\_ALL
  - (GL) BOR\_TRIAL\_BALANCE
  - (KK) BOR\_KK\_ENC\_BAL\_AS\_OF\_PD
  - (AM) BOR\_ASSET\_LISTING\_AUDITORS

- Approximately 6:00pm, Thursday, December
  12:
  - Turn production database over to the DBA's to begin upgrade.

### Sunday, December 15

### ITS Upgrade Validation

- Confirm access to new FPROD production.
- Test environment (REN Server, access to GFM, Self Service, etc.).
- Contact one institution to validate Firew(/u)C/Lbp

### Monday, December 16

### Institutional Setup

- Banner Links
  - Must be completed prior to 9:00am
  - Refer to announcements on the website
- PSQUEST access
  - This can be completed any time Monday

### Institutional Validation

- Go-Live Validation WebEx
  - Georgia FIRST Production Support and Technical

\_

### Institutional Validation

- WebEx Go-Live Validation Steps:
  - Clear browser cache/history
  - Add FPROD to trusted sites
  - Pop-up blocker
- Refer to:
  - Workstation and Browser Requirements
    Configuration Guide
  - Oracle's Browser Compatibility Guide

### Institutional Validation

- Log into new FPROD production:
  - Password should be expired.
  - Will need to reset using new password controls.
- Security access:
  - Review Navigation and confirm same access as previous F89PRD production.
- Query Validation:
  - Query access is correct (viewer, public, private)
  - Campus queries exist

### Summary of Key Dates and Tasks

- Thursday, December 12 F89PRD production will be turned over to DBA's.
- Sunday, December 15 new FPROD Production will be available for PeopleSoft Financials team to complete validation and setup.

### Q&A
