

3. Click the [link](#) next to the selected query.

4. Click the [link](#) at the bottom of the page:

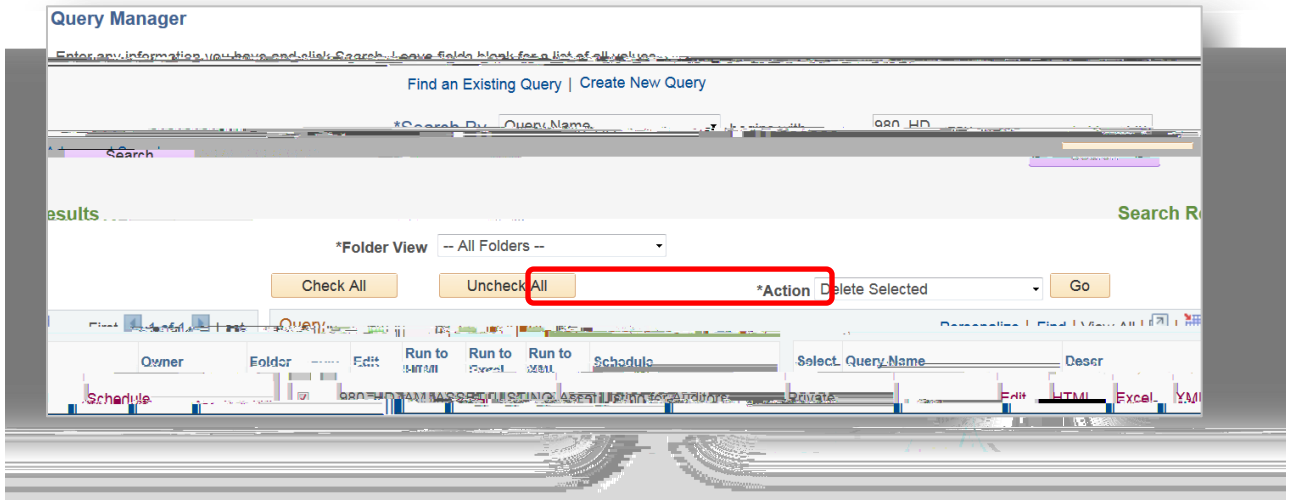

Institution-developed queries (both public and private) should be evaluated from time to time to determine if they are still needed. Queries that are no longer needed should be deleted.

- From the dropdown menu, select and click .

- You will receive a message asking to confirm the deletion of selected queries. Click to delete.
